**SAFE COMMUNITIES OF FAITH POLICY**

## SAFE COMMUNITIES OF FAITH POLICY

The Rockhampton Diocese is committed to holistic Safe Ministries.

This means: we acknowledge that Diocesan parishes, ministries and entities should be abuse-free and harm-free, person valuing and respectful spaces for ministry to God's glory.

This Safe Communities of Faith policy commits the Diocese to pastoral, insurance, legal and duty of care, obligations; with the intended goal that all ministries are spiritually, emotionally and physically safe. This Policy outlines the broad principals and protocols incorporated in the Safe Ministries area and underpinned by the Diocesan Code of Good Practice Faithfulness in Service.

This Policy and Code are underpinned by the Scripture:

Jesus Christ said, "Love your God with all your-heart, soul, mind and strength; and love your neighbour as yourself." These commands guide our behaviour in our relationships and provide the basis for the establishment and exercising of safe activities and events, run in safe environments in an abuse-free Christian community.

We seek to build and maintain safe communities of faith by:

- fostering relationships between members, and those of the wider community, based on the teachings of Jesus Christ;
- establishing guidelines and maintaining processes to prevent abuse and provide a safe and secure environment where all people can feel respected;
- providing responsible and loving Christian leadership and management practices built on a scriptural base, and
- ensuring that cases of alleged abuse or neglect and complaints are handled in a consistent, transparent and empathetic manner..
