

End of Financial Year Support Call Ray's Soup Kitchen

26 June 2017

Ray's Soup Kitchen is facing a massive 70% increase in demand compared to this time last year. Since January, the kitchen has served up 1250 bowls of soup, compared to 736 last year.

The Soup Kitchen is seeing a significant increase in women, up 186%, showing that hardship in Gladstone is on the rise.

Ray's Soup Kitchen opens every Monday and Wednesday evening, welcoming vulnerable people and providing a fresh healthy meal, free of cost and free of judgement.

People gain an added support network and form a connection with others, as well as becoming more aware of support services.

The Anglican Parish of Gladstone has many arms of charity touching our community. Ray's Soup Kitchen is in immediate need of support, funded only by personal donations and volunteer help.

This Plight:

This plight is for businesses or corporations who have remaining funds in 2016/2017 Financial Year Donation or Community Accounts to consider donating to the Anglican Parish of Gladstone to support Ray's Soup Kitchen.

If your business supplies food, please consider a donation in-kind.

Please contact Father Daniel on 4972 4754 or email Gladstone@anglicanchurchcq.org.au

Any assistance is appreciated
