What can you do?

Dear Friends,

As a Diocese we can collectively make a very real difference in the lives of some Newton College students and to ongoing Anglican Ministry in PNG.

Having spoken with Bishop Jeffrey Driver at length about the best way he would suggest we could help, I challenge you now to support scholarships for students of Newton College for the 2022 year. In his last Newton Newsletter Bishop Jeffrey advised *"With great financial pressures on the Anglican Church of PNG, the usual grant from the national church has not been forthcoming, and most dioceses have chosen not to pay the fees of their own students"*.

Bishop Jeffery will select the students to receive the scholarships. It is anticipated we nurture ongoing relationships with these students we are a supporting, and follow their progress through their studies with regular updates.

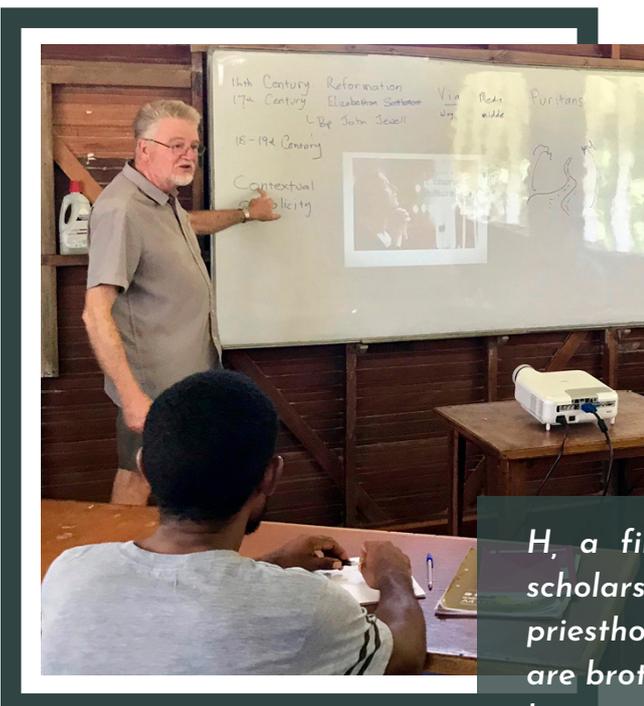

Please forward your donations to our Diocesan office so a secure transfer can be made. Our contributions will make the future of Anglican Ministry in PNG a brighter, more secure prospect.

Blessings

+ Peter

EPHESIANS 4:11-12

So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up

H, a first-year student in 2021, expressed that "This scholarship has given me confidence to pursue this priesthood calling knowing that I am not alone. There are brothers and sisters out there who care for us and we have a wider community of family around. Thank you".
